## **PARK(ing)Day Celebration!**

Presented by the AIA-SF Urban Design & Infrastructure & Mentorship Committees in support of the **Architecture + the City Festival** by the Center for Architecture + Design

**Event Name:** PARK(ing) Day Celebration

**Intent/Purpose:** design and/or view other designs for repurposing the metered parking space as a site for experimentation... .. using the Rebar prototype for open-source urban design...

**Description:** **PARK(ing) Day®** occurs on the third Friday of September since 2005. It is an open-source experiment in reclaiming public space.

Virtual PARK(ing) Day Celebration is an AIA-SF Urban Design & Infrastructure Committee featured program, building on previous programs of the AIA-SF Mentorship Committee. Register to get access to online resources, map layers and folder for posting and participate in the survey for designs for PARK(ing)Day per the REBAR open license available at
